[Show Stats](#) [Restart](#) [Achievements](#)

The noise that started the avalanche no longer matters. The entire mountain ahead of you has disappeared from view as the white wall of deadly snow races toward you and Theo. The eyes of your horse, Shadow, are wide open in fright.

Theo stands beside you. The muscular warrior grips his oversized warhammer in his hand out of habit.

- Search for a cave to hide in.
- Create a magical dome around you and Theo to keep you safe.
- Ride away from the avalanche as fast as you can.
- Consider using a Demonstone.
